

END OF FIRST TERM 2023/2024 SESSION

We will always express our gratitude to the ALMIGHTY GOD for HIS abiding presence and guidance from the beginning to the end of first term. We cannot really do without God.

We concluded the first term examinations on Thursday 7th December, 2023. We thank God for the good conduct of the examinations. The senior students did their objective tests in the Computer Based Test (CBT) Laboratory. Everything went well to GOD'S GLORY. The five percent reduction in the TUITION FEES of multiple biological children is still in operation. Behavioural report sheets, scratch cards and bills are given to parents and students on 15th December, 2023.

EXCESS BOOKS CHARGES

The cost of the books issued is higher than the amount deposited for books, so we included the excess over deposited money in the bills. Publishers have increased prices of books due to higher cost of printing.

ACCESSING RESULTS

Parents should note that 50% is the pass mark in all the subjects for the junior classes. 40% is the pass mark for the senior classes.

Results will be accessible from Wednesday 27th December, 2023.

ACCESSIBLE DATE: Wednesday 27th December, 2023.

Please validate your card before checking result

SSS 3 UTME COACHING (EARLY MORNING CLASS)

SSS 3 UTME COACHING (EARLY MORNING CLASS)

SSS 3 students will resume lessons at 7:00a.m. in preparations for JAMB and WAEC examinations in January. The CBT laboratory will be used in the coaching and training. In line with this, the SSS 3 students are all expected to come to the hostel to avoid lateness for serious preparation.

MAINTENANCE OF PROPERTY

Books, all learning materials and uniforms have become so expensive. The incidences of students throwing their books and property away continue to occur without heeding our pieces of advice and corrections.

Please cross check books issued and ensure that your child has not misplaced them.

Always check the uniforms to ensure your ward has not thrown them away because we usually pick them around the college premises.

We still want to emphasize particularization (writing names on every item) of students' property for easy identification when lost.

THE COLLEGE POLICY ON PAYMENT OF FEES

1. All SSS 3 students are expected to pay the fees for the three terms, examination and coaching fees before resumption for the first term. This session, some of our SSS 3 students have not complied with this policy and their non-compliance has affected the fiscal running of the school this term.

We therefore plead with the parents of SSS 3 students to try and complete payment by resumption in January, 2024.

2. Fees of other students are expected to be paid before resumption for each term. JSS1, JSS2, JSS3, SS1 and SS2 students are expected to pay the fees for second term before resumption in January, 2024. GOD will provide for you.

PAYMENT OF FEES

JSS1, JSS2, JSS3 students are to pay to ACCESS BANK

Account Name: Effective International College
Account Number: 0009211325

SSS1, SSS2 and SSS3 students are to pay to FIRST BANK PLC
